### Unagi Hot-stone Rice:

Our grade 'A' eel comes from the blue ocean water, sealed using a special quick-freeze process to retain its ocean-fresh quality. Eel is perfectly sliced to ensure the natural fish oil be equally distributed. Appetising aroma of the succulent eel can certainly tickle a person taste bud.

### Green Tea Powder:

Mount Koya-san produces premium green tea powder; Vacuum-sealed to freshness. Green tea is rich in epigallocatechin gallate (EGCG), a powerful anti-oxidant that inhibits the growth of cancer cells. Drinking green tea also lowers total cholesterol levels.

### Hokkaido Red Bean:

Hokkaido red bean is air-flown from Japan Hokkaido, vacuum-packed to remain authentic throughout. Native Japanese are discerning in differentiating quality of red bean, only premium grade Hokkaido red bean is chosen.

### Japanese Sweet Potato:

MOF uses 100% premium Japanese sweet potatoes to make into our famous 'Imo' Series. The sweet potatoes are sweet naturally and no sugar is added during the Imo-making process. Our Imo is low in sodium, calories and is also a good source of fibre. It is a creation specially designed by the Japanese chefs to cater to local palette.

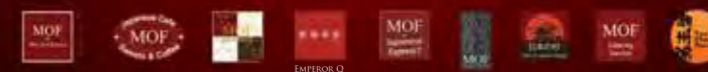

### Hokkaido Gelato/ Soft-Serve Ice-cream:

MOF pride ourselves to be serving healthy ice-cream produced using Hokkaido milk as base. Hokkaido milk is 6 times more costly than normal milk simply because it is almost organic and free from added chemicals, preservatives, artificial colourings & flavourings. MOF ice-cream series certainly provides a healthier option for the discerning ice-cream lovers.
